ROCK GARDENS

We have a choice selection of Succulents and other plants most suitable for Rock and Sunken Gardens. Collections made up to any value, or list of suitable plants and prices supplied on application.

AQUATIC PLANTS FOR AQUARIUMS, ETC.

For furnishing Ponds, Lakes, etc., in or out of doors. In variety. Prices on application.

FLAG IRIS (Germanica)

This class of Iris is becoming deservedly popular. They are very hardy, succeeding in any locality. Their freedom of flowering has been greatly improved, and the variety and richness of the colours makes them worthy of a place in any garden.

Price, 1/- each, 9/- dozen. Our selection, 12 good varieties, separate colors, 7/6 dozen.

STIFF-STEMMED DECORATIVE DAHLIAS

Price: 1/- each, 10/- per dozen.

Our aim, in putting this collection together, is to supply varieties that are not only the best for a garden display, but will give quantities of cut blooms of beautiful and dainty coloring for house decoration. The blooms of these varieties last longer when cut than the ordinary Dahlias, and the stems are long, stiff, and wiry, carrying the flowers well above the foliage, and requiring no wires when arranging.

CHARM AND STAR DAHLIAS

Price: 1/- each, 10/- per dozen.

These are the best varieties to grow where flowers are required for table decoration. Flowers smaller and colors very dainty.

POMPON DAHLIAS

Price: 1/- each, 10/- per dozen.

COLLECTIONS MADE UP OF VARIETIES TO SUIT CUSTOMERS.

SEEDLING DAHLIA TUBERS

A fine line of tubers grown from seed selected from the newest varieties and will give complete satisfaction to purchasers. Where quantities of cut flowers are required these will be found equal to expensive named varieties.

Price, 3/6 dozen.

PERENNIAL LUPINS

These are our speciality. A wonderful collection of fine colors personally selected in England by a member of our firm, and they have proved the finest ever seen in Australia. These plants make a wonderful show in the garden and are excellent as a cut flower. The colors range from Pale Mauve to Purple, Pale Yellow to Deep Apricot, and Pale Flesh to Deep Rose Pink.

One Year Old Crowns. 7/6 dozen.

Separate Colors, 1/- each, 10/- dozen.

HYDRANGEAS

We have a fine collection of New Blue and almost Red varieties. See page 104 in General Catalogue for names and descriptions.

REGAL AND SHOW PELARGONIUMS

Chiefly used for Pot Culture and Greenhouse Decoration. They also do well as outside garden plants, in soils that are not too rich.

Price, from 1/6.

ZONALE PELARGONIUMS

We carry an immense stock of these popular plants in all the best shades and up-to-date varieties. For hot, dry situations they are ideal, either as specimens, borders, or beds.

Single and Double, 1/- each; 10/- dozen.

BICOLOR AND TRICOLOR PELARGONIUMS

1/6 each.

IVY-LEAVED PELARGONIUMS

Invaluable for Covering Fences.

Price, 1/- each; 10/- dozen.

FUCHSIAS

A splendid collection of all the best Singles and Doubles.

Price, 1/- each; 10/- dozen.

FETES AND FAIRS

We have a splendid collection of decoratives and flowering plants suitable for this purpose. Collections of best selling varieties made up to any amount.

ROCK AND FORMAL GARDENS

These types of Gardens are becoming increasingly popular, and we wish to inform our many clients that we have a competent staff and shall be pleased to submit plans and quote for any class of garden work. Should you already possess a Rock Garden, and not be satisfied with results, we shall be pleased to advise. Our collection of plants suitable for Rock Gardens is the largest and most comprehensive in Australia.

TOMATO PLANTS

All our Tomato plants are from seed saved in a garden that has never known wilt, and grown in sterilized soil, thus ensuring freedom from disease. They are also hardened outside.

Price: 9d. dozen, 3/6 per 100.

Special quotation for quantities.

FLORAL DEPARTMENT

We can at all seasons of the year supply fresh CUT FLOWERS for decoration. Also—

WREATHS, fresh flowers, from 5/6.
